YOUR PLANNING OBJECTIVES

Please identify the reasons you are considering planning or areas you would like to learn more about (select as many as you wish):

Preserve and Maximize Assets

- □ By minimizing taxes during your life (income taxes, capital gains taxes, estate taxes on inheritances you expect to receive)
- □ By minimizing or eliminating estate taxes upon your death (up to 55% of your assets and life insurance benefits)
- □ By reducing estate administration costs through probate avoidance
- □ Avoid or limit MediCal claims on your assets should you require long-term care
- □ Ensure that a special needs beneficiary has assets that are protected from government seizure while retaining eligibility for needed services
- □ Ensure that your family has enough life insurance to provide a comfortable lifestyle no matter what
- □ By ensuring that your assets are passed to your descendants and not given away to outsiders, such as spouses, creditors or the government

Protect Yourself and Your Spouse

- $\hfill\square$ From malpractice or other creditor claims
- □ From conservatorship proceedings (aka "living probate") if you or your partner become incapacitated
- \Box From probate delays and stress upon your death or the death of your partner
- □ From hospital policies requiring life sustaining procedures when you would rather not endure them
- □ From healthcare decisions made by people other than those you trust most

Protect Your Children or other Beneficiaries

- □ From predators who can discover inheritance amounts and target young or vulnerable beneficiaries
- □ From claims of divorced spouses to take half of your child or beneficiary's inheritance
- □ From malpractice claims, for beneficiaries in the professions
- □ From other creditors' claims (such as car accident plaintiffs)
- \Box From the stress and delays of the average 16-month process of probate
- □ From the financial immaturity resulting in a quick loss of an inheritance
- □ From sharing assets with heirs you would rather disinherit
- □ From litigation claims by disinherited heirs
- □ *For parents only:* from relatives who would be poor, abusive or even dangerous guardians or from foster care
- □ *For parents only:* from acquaintances and relatives who should not be allowed to be alone with your children
- □ For special needs beneficiary only: from neglect in the government care system

Achieve your Dreams

- □ Have clarity about your life purpose, goals and dreams
- □ Benefit a charitable organization or activity
- □ Support a common family goal through coordinated planning
- □ *For parents only:* By providing guidelines for how your children should be supported while their assets are in trust.
- □ *For special needs beneficiaries only:* By providing instructions, people, and assets to support your special needs beneficiaries above a poverty lifestyle
- □ *For business owners only:* By providing for the orderly continuation and transfer of family business interests rather than a distress sale
